*Asian Democracy Review* (ISSN 2244-5633) is the annual peer-reviewed journal of the Consortium for the Asian Democracy Index, a network of research institutes and independent researchers working on the development of the Asian Democracy Index. Apart from the yearly country reports on the conduct of Asian Democracy Index surveys, the journal publishes scholarly papers on democracy and democratization processes in Asia. This work was supported by the National Research Foundation of Korea Grant funded by the Korean Government (NRF-2011-413-B00009).
